

# Pipe Clamp Wedge with Locking Tabs

## PRODUCT INFORMATION

### Features:

- Metal stamped wedge material is more ductile than pipe clamp bases, making them less likely to crack or break.
- The wedge is designed with two locking tabs, only one tab is needed to secure it to the base, doubling the life of the wedge if a secured tab breaks or fails.

### Benefits:

Using a wedge with the tabs

- Increases the useful life of a pipe clamp base
- Saves time and money when used to repair a failed base
  - Eliminates the need to remove the entire pipe
  - No welding required

PART #  
**SPCW1620T**

Pipe Size 1-1/2" & 1"

PART #  
**SPCW812T**

Pipe Size 1/2" & 3/4"

PART #  
**SPCW6T**

Pipe Size 3/8"
